

Dear Business Owner,

The Village of Genoa City is excited to host a Farmers Market for 2023. The Market days are Fridays 3pm to 7pm, beginning Memorial Weekend and ending Mid-October. The market will take place at Veteran's Park in Genoa City.

Our mission is to provide a venue where local farmers, producers, crafters, and artisans can come together to supply fresh and local produce, baked goods, flowers, handmade goods, and related products to our community.

The revenue generated from this event will go back into the Farmers Market as well as the Village Park improvement fund.

As a local business, with a reputation for community support, we are asking you to join together with The Village of Genoa City Farmers Market as a sponsor to build a stronger community. As a sponsor, you will help us provide a family-friendly event and support small family-owned farms and local artisans.

We would like to include you and your local business to help make this event successful.
